DETAILED ACTION

This Office action is responsive to communication received 07/17/2006 –
Amendment After Final.

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 71-91, 93-107 and 119-132 are allowable over the prior art references of record, in part, because it would not have been obvious to modify any of the prior art devices of record to include the combination of a support, a weight having an opening, and an indentation and protrusion (claim 71), as well as the combination of a support, a weight and at least one scale incorporated within a golf club head (claims 90, 119 and 126).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
